Set on the global stage of Dubai's Annual Investment Meeting, entrepreneurs from across the world will showcase their groundbreaking products or services and gain exposure across government officials; local, regional and international investors and industry titans.

#### H.E. Eng. Sultan Bin Saeed Al Mansouri Minister of Economy, United Arab Emirates

#### Minister's Welcome:

Innovation is a key driver for economic growth and global competiveness. A large share of sustainable economic growth can be attributed to innovation and the willingness of governments across the world to implement and execute policies and initiatives, which foster and nourish innovation and entrepreneurship.

The United Arab Emirates is a country that was founded on innovation, forward thinking and a government's great vision and willingness to implement initiatives that has today positioned the UAE among one of the most competitive economies worldwide.

In celebration of innovation, which is deeply embedded in our heritage, the UAE formally extends a warm welcome to the innovators and pioneers of the world who aspire to create solutions to the challenges we face globally.

Set up under the framework of the AIM platform, we are launching AIM Startup to encourage our next generation of leaders to pursue initiatives that will create sustainable growth on a global scale.

#### About AIM

The Annual Investment Meeting (AIM) is the premier platform for Foreign Direct Investment (FDI) in growing markets. It is an initiative of the UAE Ministry of Economy, held under the patronage of His Highness Sheikh Mohammed Bin Rashid Al Maktoum, UAE Vice President, Prime Minister and Ruler of Dubai.

AIM is a leading global platform aimed at facilitating strategic networking and promoting investments while providing a rich learning experience. It gathers the international investment community, corporate leaders, policy makers, world-renowned experts, and investment promotion agencies from across the globe to showcase up-to-date information, strategies and knowledge on attracting FDI. It offers cross-industry project developers a safe and effective platform to present their projects and schedule G2B and B2B meetings with institutional, corporate and private investors seeking lucrative and reliable projects for their capital.

The seventh edition of the Annual Investment Meeting will be held on 2 - 4 April 2017, at the Dubai World Trade Centre. The theme is 'International Investment, Path to Competitiveness & Development' which will discuss how to attract the right kind of international investment for the advancement of national economies. It will outline the main factors of competitiveness of the host countries and how FDI can greatly influence this.
