

Corona Security and Hygiene Regulations

General Rules

Please pay attention to the following regulations and rules of hygiene:

- Please keep a minimum distance of 1.5 meters from other people.
- Please always wear a mouth-nose protection if distance rules cannot be adhered. The mouth-nose protection can be removed at your seat in the conference room, especially whilst eating and drinking.
- Please note the generally applicable cough and sneeze etiquette.
- You will find hand disinfectant dispensers in the foyers and in the toilet areas. Please use them regularly.
- Please refrain from shaking hands or hugging.
- Please note the markings and signage in the conference room, in the catering area and in the sanitary facilities and follow them.
- If you feel unwell or have symptoms of a cold, we kindly ask you to stay at home.

Specific Regulations in the Conference Area
